### 1. Geographical location

Nairobi is the capital and biggest city of Kenya and the second-biggest city by population in the African Great Lakes area after Dar es Salaam, Tanzania. The name "Nairobi" originates from the Maasai expression Enkare Nairobi, which means "cool water". The expression is likewise the Maasai name of the Nairobi River, which thus gave its name to the city. In any case, it is famously known as the "Green City in the Sun".

## Index

### 2. Neighbouring cities/countries

The Major Cities Close To Nairobi, Kenya Are Kandara Which Is At An Approximate Distance Of 64.1 Kilometers, Makuyu Which Is At An Approximate Distance Of 75.9 Kilometers, Dar Es Salaam Which Is At An Approximate Distance Of 900.5 Kilometers.

### 3. Significance

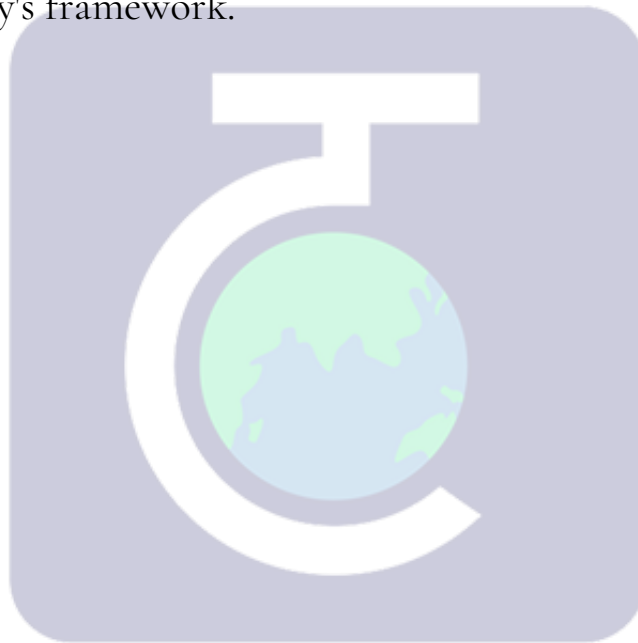

Nairobi was established in 1899 by the colonial regime in British East Africa, as a rail terminal on the Uganda Railway. The town rapidly developed to replace Machakos as the capital of Kenya in 1907. After liberalisation in 1963, Nairobi turned into the capital of the Republic of Kenya. Amid Kenya's pilgrim period, the city turned into a middle for the province's espresso, tea and sisal industry. It is also the home to a Contact of international offices and organisations.

## Index

### 4. History

The area around the present day Nairobi was basically uninhabited grassland until a supply warehouse of the Uganda Railway was implicit 1899, which soon turned into the railroad's central command. In 1905, Nairobi replaced Mombasa as capital of the British colony and the city developed around organizations and tourism. After autonomy in 1963, Nairobi became quickly and this development put weight on the city's framework.

**Index****5. Cultural identity**

Nairobi has a glorious and rich history. A number of immigrants settled in Nairobi from the other British colonies of the world predominantly India and Pakistan. The city has a number of churches, mosques, temples and worship places. Safari tourism is an important part of Nairobi and thus is sometimes also called “The Safari Capital of the World”.

**Index****6. Natural resources**

**Index****19. Shopping**

Numerous new shopping centers have showed up in Nairobi as of late, and some more established ones have upgraded themselves to serve the developing working class and expat groups. Different independent expressions and specialties organizations offer an amazing choice of merchandise, and purchasing from nearby craftsmen is essential as it serves to bolster the local economy. Some of the key places to shop while in Nairobi are the Westgate Mall, Yaya Centre, The Village Market.

## 20. Tourist benefits

VAT in Kenya is at 16% of purchases and services. Foreign tourists are allowed to reclaim their value added tax on a collective purchase of less than KSH 1000000 as VAT at multiple offices for refund in the city. The VAT office for refund is also set up at the Nairobi International Airport.

## 21. Essential local apps

Local taxi app MARAMOJO is a trusted platform and network of taxi providers. Kenya Tourism's own app is also a good app to have in need. All these apps are available on all available and known platforms.

## 22. Driving

Driving in Nairobi is genuinely simple. Drivers either need a Kenyan Driving License or an International Driving License. Outside guests can drive in Kenya with their residential driver licenses and International driving grants for 90 days. For brief importation a foreign enrolled vehicle, an impermanent carnet is required. It is additionally required that it has a foreign vehicle license and an outsider protection spread.

**Index****23. Travel essentials**

The standard electricity supply in the Kenya is 230 volt – 50 Hz AC, 15 A and plugs have two or three prong round pins. North American appliances that work only on 110V (most work on 110–240V) will also need a transformer. Remember to bring an adapter or converter if you need it.

**Index****24. Essential clothes**

The standard electricity supply in the Kenya is 230 volt – 50 Hz AC, 15 A and plugs have two or three prong round pins. North American appliances that work only on 110V (most work on 110–240V) will also need a transformer. Remember to bring an adapter or converter if you need it.

## 25. Local currency

The local currency of Nairobi is the Kenyan Shilling. 1USD= 101.30 KSH.

## 26. Change vendor's commission, ATM charges

Since the Kenya shilling is a weaker currency, costs for anything associated with the traveler business have a tendency to be cited in US dollars. Money dollars, together with British pounds and euros, are constantly worthy, and regularly favored in transactions. In the event that you take \$100 bills to Kenya, make sure they are under five years of age as they won't be interchangeable in numerous spots otherwise. The machines differently acknowledge cards with Visa, Visa Electron, MasterCard, Plus or Cirrus images. You'll need to ask your own bank what charge they make per withdrawal: the expense differs. Numerous banks likewise give trade advances out Kenya shillings (and, in case you're in Nairobi or parts of the coast, in US dollars or pounds) on Visa and MasterCard Visas. The most extreme sum you can pull back every day is typically Ksh 40,000 from an ATM, or Ksh 50,000 over the counter. The vendor commission for local agents vary depending on the agent. It is advised that you confirm the rates before getting committed to any transaction. It is also advised that the rates are negotiated beforehand to get the best deal.

## 27. Staying connected

Most hostels, hotels, cafes and restaurants in Nairobi offer free wi-fi facility to their customers. As far as cell phone connectivity goes, the city is covered by the GSM 900/ 1800/ GPRS/ HSPDA network. There are three main operators in the city i.e MTN, Cell C and Virgin Mobile and Telkom.

## 28. Time Zone

Nairobi observes East Africa Time Zone. It is CET (UTC+3)

**Index****29. Languages**

Kenya is a multilingual country. The Bantu Swahili language and English, the latter being inherited from colonial rule and are widely spoken. In total there are 68 languages spoken in Kenya and is a reflection of the diverse Kenyan population. Languages come from two broad families: Niger-Congo and Nilo-Saharan. English is an official language in Kenya and spoken with varying degrees of fluency.

**Index****30. Political Scenario**

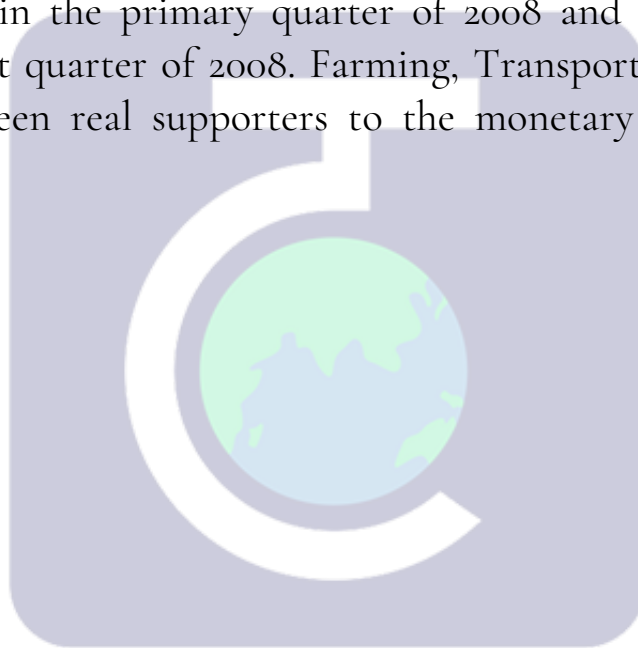

Kenya has always been a centre of political tension both from external as well as internal sources. The presence of so many UN bodies is a testimony to that. Off late, tensions have been growing in Kenya regarding government performances which has moved to a more progressive government from the postelection violence 6 years ago fought mostly on ethnic lines. Travellers and tourists are advised to go through travel advisories as printed from time to time on their home country embassy websites and other nations' websites.

**Index****31. Economic Scenario**

Kenya's economy was viewed as steady and solid in East Africa till 2008 when its development was hugely influenced by the fallout of elections in December 2007. As per the Central Bank of Kenya, the monetary development in the nation recorded fabulous figures from 0.5% in 2002 to 7.1% in 2007. In 2008, it dropped to 1.7% and the stifled development reflected antagonistic result impacts of post decision emergency in the primary quarter of 2008 and worldwide monetary emergency in the last quarter of 2008. Farming, Transport and correspondence and tourism have been real supporters to the monetary development in the nation.

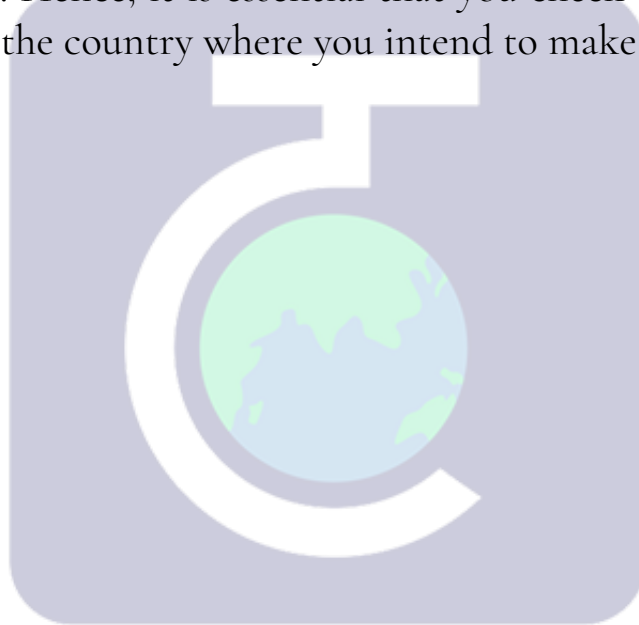

**Index****32. Religious belief**

The predominant Religion in Kenya is Christianity, which is followed and practised by an expected 82.6% of the aggregate population. Islam is the second biggest religion in Kenya, practised by around 11.1% of the aggregate population. Different beliefs rehearsed in Kenya are Baha'i, Buddhism, Hinduism and traditional religions. Nairobi is an exemplary case of how religions can exist together in a blended situation.

**Index****33. Visa requirements**

The visa requirements are different for different countries of residence of the traveller. Visa requirements depending on the country of residence can be found on: <https://www.kenyaembassy.com/dcservices/appforvisaonline.aspx> It is advisable to keep 2 pages free in your passport for arrival and departure stamps. In certain cases, it has been observed that applying and receiving a visa can be a process of 20-30 days. Hence, it is essential that you check the timeline with the relevant authority in the country where you intend to make the visa application.

**Index****34. Essential vaccination**

One does not need to take any specific vaccination before entering this country. Advice: There is no risk of yellow fever in Kenya. The government of Kenya requires proof of yellow fever vaccination only if you are arriving from a country with risk of yellow fever. This does not include the US. If you are traveling from a country other than the US, check this list to see if you may be required to get the yellow fever vaccine: <http://wwwnc.cdc.gov/travel/yellowbook/2016/infectious-diseases-related-to-travel/yellow-fever#4728>

**Index****35. Theft and Safety**

Kenya is known for petty crimes and these happen in high density tourist areas mostly. Visitors run a risk of getting robbed in the first two days. Doping in buses, charity scams are some easy ways of robbing expats in Kenya. The police in Kenya is highly unresponsive and thus self-protection is the best option in Kenya.

**Index****36. Embassy/Consulate**

A list of foreign embassies and consulates of Nairobi, Kenya can be seen online at:  
<http://embassy.goabroad.com/embassies-in/kenya>

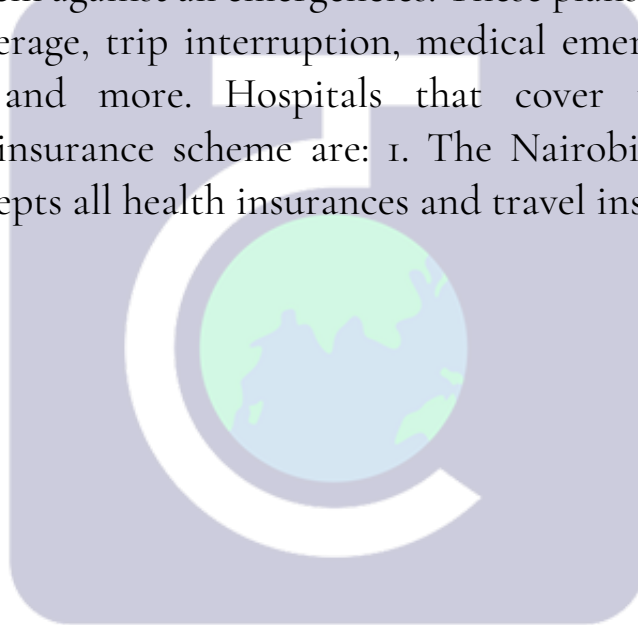

## 37. Accessibility

Nairobi does not pose major problems for people with disabilities in accessing places within the city. However, the role of the government is minimal in terms of revamping or developing the conditions and facilities for people with restricted accessibility.

**Index****38. Emergencies**

Nairobi does not have a single Contact to report emergencies. The Nairobi Police can be reached on 2240000/0726-035455/020341411. Emergency ambulance services can be reported on 112/999. The hospitals in Nairobi are state of the art with complimentary pharmacies that also remain 24X7. These hospitals have highly trained doctors. Travelers are advised to carry medical insurance plans prior to the trip that cover them against all emergencies. These plans may include valuable medical expense coverage, trip interruption, medical emergency assistance and treatment services and more. Hospitals that cover travelers under the international travel insurance scheme are: 1. The Nairobi Hospital Note: The Nairobi Hospital accepts all health insurances and travel insurances

### 39. Do's and Don'ts

Do's • Do keep an eye on your belongings at all times, especially in the tourist areas. • Exchange greetings with everyone you meet. It lasts at least a minute or two. • When on a Safari, do not imitate animal sounds, throw objects, or corner a wild animal. • Ask permission before clicking someone's photograph • Do bargain at all shopping areas and carry change with you at all times. • It is advisable to carry a certified doctor's prescription along with the medicines to ensure hassle free import clearance. Don'ts • Do not get surprised by hissing. It is a common way of attracting strangers in Kenya • Do not say no to food offered by a Kenyan. • Do not smoke on Kenyan streets • Never count/ exchange your money on the street. • Don't flag down a taxi on the street buy book it from a reliable source beforehand. • Hire a self-drive car. It is expensive to drive and it is equally dangerous. • Do not use the words "Black" and "nigga". • It is advisable that do not carry unsealed/ unbranded food articles as the same may be banned for import.

**Index****40.Tipping basics**

At inns, doormen can be tipped anything from 50 shillings to 100 shillings. In restaurants, the server serving you would commonly expect 10% of the bill to be offered as a tip. Make certain to hand the tip to the server in individual to guarantee that they get it, and not to abandon it on the table. It is exhorted that you pay the tip in Kenyan Shillings as they experience difficulty getting foreign currency traded.

**Index****41.Pet info**

Kenya does not quarantine healthy pets if they meet the following requirements: • Import Permit • Airlines Captain Affidavit stating that your pet was on a direct flight to Kenya. • ISO compliant pet microchip (unless entering from a rabies free country where your pet has resided for 6 months) • Ticks and Tapeworm Test (completed within 48 hours of entry) • USDA (or CFIA) accredited veterinarian must complete a Veterinary Certificate for Kenya
