Index

3. Significance

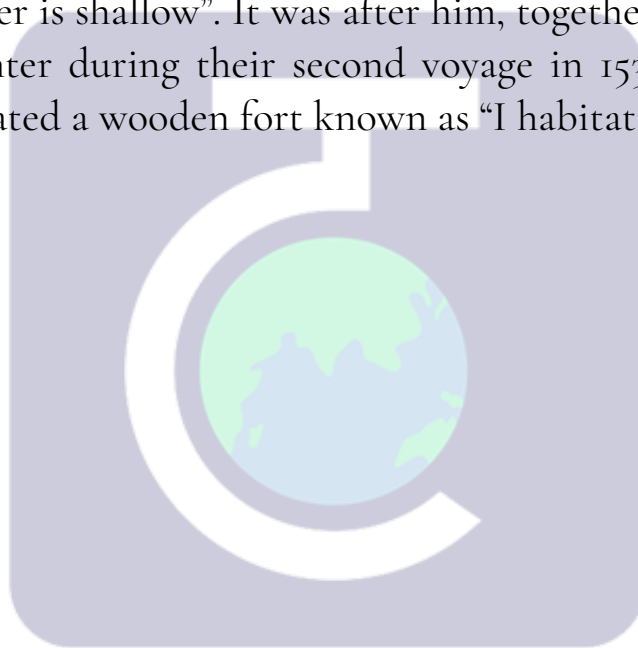

The Montmorency Falls in Quebec is one of the most notable features that can make you book your next flight. The grand waterfall is surrounded by parkland, an occurrence that is very unique. The other instrumental attraction in Quebec is the Battlefields Park which depicts a crucial part of the history of Quebec since it is a 1759 battle site. Rarely do you walk into parks that depict a two-century history with some of the weaponry intact. The idea has been to ensure that the site is preserved as a reminder of the British victory over France. For Christian and religion enthusiasts, the Cathedral-Basilica of Notre-Dame may be of major interest to them.

Index

4. History

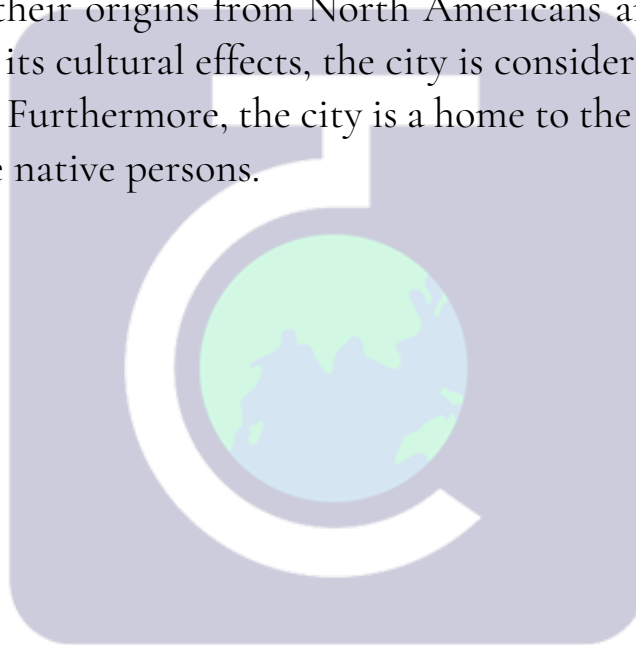

It has the oldest living European settlers in Quebec. The city was established by a French national known as Samuel de Champlain. He was also a navigator. Moreover, he established administrative offices near St. Lawrence River. He named the place as 'Le Canada.' Previously before he invaded the place, there were Iroquois villagers in it. Its name is derived from the term 'kebec' that means "that is where the river is shallow". It was after him, together with his ship crews, survived a harsh winter during their second voyage in 1535. Immediately after they arrived they created a wooden fort known as "I habitation."

Index

5. Cultural identity

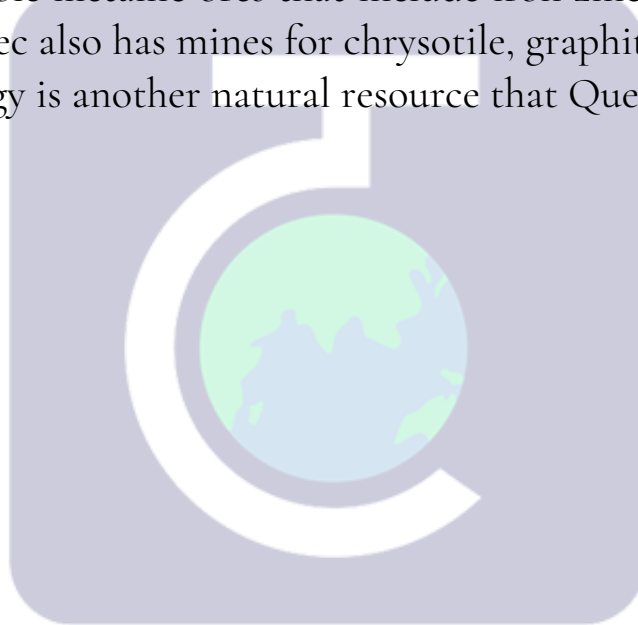

Their culture has been in existence for more than 100 years. It is why there are a predominant number of people who speak both English and French languages. From the research, it is the largest and the only city to have its majority resident communicating fluently in French. It resulted in the administration having to accept and make French an official language in the province. Both cultural history and linguistics have their origins from North Americans and Caribbean French communities. Due to its cultural effects, the city is considered as the crossroad to Europe and America. Furthermore, the city is a home to the largest community in Canada known as the native persons.

6. Natural resources

Quebec is endowed with innumerable natural resources that have seen it thrive over the years. The natural resources include mines, renewable resources and forests. The region is also richly endowed with numerous rivers and lakes. Fishing and whaling are thus practiced as well. Quebec is largely covered with forests that are utilized as sources of paper, timber and pulp products. In regards to mine, the region has innumerable metallic ores that include iron zinc, nickel, copper, gold and diamonds. Quebec also has mines for chrysotile, graphite, ilmenite, mica and salt. Renewable energy is another natural resource that Quebec produces.

Conclusion – Why to select this destination

Visitors going to Quebec City have a range of options to make the journey a memorable one. There are a number of sites and natural attractions that the place is famous for. The Montmorency Falls in Quebec is one of the most notable features owing to its setting. The grand waterfall is surrounded by parkland, an occurrence that is not unique and uncommon. The positioning of the waterfall offers amazing scenery that landscape lovers are surely going to enjoy. The gashing waters hit the surface with a thunderous sound that tends to lock out all other noises even in your mind. Its relaxation is like no other. The other instrumental attraction in Quebec is the Battlefields Park which encapsulates a crucial part of Quebec history since it is a 1759 battle site. The 18th century Park is an experience that tends to connect the river of time by allowing you to walk into a setting right out of history. Unlike reading about it in the book, the momentous feeling one gets while walking through this site is incomparable. The Cathedral-Basilica of Notre-Dame is another crucial part of the Quebec that a tourist can visit to get a feel of the storied church that has a notable crypt. The religious history of Quebec and Canada to an extent can be experienced at the Cathedral. The amazing architecture highlights some of the ingenuity of the Quebec community and to a greater extent that of the Canadians. The place is going to make your journey a memorable one. However, try to learn at least the basic and regular words of French for easier communication.
