Index

1. Geographical location

Cape Town, also called the City Bowl is surrounded by the Table Mountains with its vertical cliffs and flat topped summit, Devil's Peak and the Lion's head on either side and forms a beautiful backdrop for Central Cape Town. Majority of Cape Town's suburbs lies in an area called Cape Flats and connects the mainland to the peninsula. The region is majorly characterised by a Mediterranean climate, extended coastline, valleys and tough mountain ranges.

Index

2. Neighbouring cities/countries

The Major Cities Close To Cape Town, South Africa Are Port Elizabeth (754.2 Kilometres), Paarl (61.9 Kilometres), Piketberg (129.8 Kilometres), Vredenburg (145.2 Kilometres). Other Cities Neighbouring Cape Town Are Atlantis Which Is At A Distance From 641.8 Kilometres, Worcester Which Is At A Distance Of 112 Kilometres.

3. Significance

Cape Town is the second most populous urban area in South Africa after Johannesburg. It is the legislative capital of the country and houses the National Parliament too. It is known for a lot of landmarks on the Western Cape; the Table Mountains and the Cape Point. It was also named as the International Design Capital in 2014. It has been a cultural and economic hub for the Cape Colony Cape Town was also reported as the Best Place to Visit on Earth by the New York Times and the Daily Telegraph.

Index

4. History

Cape Town became an important town during the colonisation of the Dutch East India Company in 1652 to find a sea route for trade. The Dutch were instrumental in changing the biodiversity forever for the region. The British captured it in 1795 and returned it to the Dutch in 1803 again by a treaty and finally ceded to the British by the Anglo Dutch Treaty of 1814. The discovery of diamonds in 1867 led to a flood of immigrants into South Africa. The British established the Union of South Africa in 1910 with Cape Town as the capital. Cape Town was also the epicentre for Apartheid in South Africa and housed many political prisoners for many years.

Index

5. Cultural identity

Cape Town is a historically rich city. Having been amidst the history of South Africa at all times and also remaining in the centre of the protests against Apartheid in South Africa has given it a multi-cultural flavour. Creative people, places and exhibitions are a plentiful and there is never a shortage for music in the city. It also has a bustling art culture with world class galleries and exhibitions happening round the year. Museums in Cape Town trace Cape Town's journey from slavery to maritime warfare, apartheid and democracy. It also prides itself by being a multi-cultural tourist destination with all faiths co existing in absolute harmony.

Index

6. Natural resources

South Africa is the continent's largest producer of gold and also the fifth largest producer of diamonds in the world. This also contributes to a large part of their exports. Some of the key natural resources include gold, diamonds, silver, phosphate, iron ore, manganese and phosphate. This has led to the blossoming of many industries including mining of gold and platinum, petroleum refining, chemicals and fertilizers.
