3.1.8. Palacio Barolo

A landmark building filled with the references of Divine Comedy by Dante Alighieri, Palacio Barolo surrounds itself with a mystic aura. One of the tallest structures in Latin America enthroned with a lighthouse that can be viewed from the capital city of Uruguay, the palace was designed by Mario Palanti, an architect from Italy as a tribute to the 14th-century poem "Divine Comedy" by the infamous poet, Dante. This 100-meter tall building dedicates every meter to each canto of the poem and features Latin inscriptions throughout. The architecture of the crowning copula over the lighthouse is inspired by an Indian Temple and refers to the union of the poet with its wife. The journey of a visitor to the palace is divided into 3 parts starting from hell, going through purgatory and finally ending in heaven. Take a guided tour of the palace to get into the details of the life of the poet.

Address : Av. de Mayo 1370, 1085 CABA, Argentina

3.2.13. Puente De La Mujer

Depicting a couple dancing to the tunes of Tango, Puente De La Mujer or most commonly known as the Women's Bridge is a revolving footbridge in the prominent neighborhood of Puerto Madero. Skillfully constructed by Santiago Calatrava, an architect from Valencia, the bridge illustrates the constant efforts of the city to make its mark in the field of art and architecture. An homage to the women of Buenos Aires, it is one of the most iconic structures of the city that curves over the rippling waters of Rio de la Plata.

3.2.14. Floralis Genérica

Floralis Genérica is a 105-feet wide blooming metallic flower with 6 petals and 4 pistons that dominate the Plaza de las Naciones Unidas. Designed and gifted by the famed architect of the country, Eduardo Catalano, the 180-ton silver flower is made with stainless steel and aluminum and is a dedication to all the flowers. Since its inauguration in 2002, the giant flower has become one of the most unique and iconic landmarks of the city that blooms during the course of the day and closes with the sunset. Walk your way through the winding paths and a peaceful pool to the center of the plaza and enjoy the spellbinding views the attraction offers.

3.2.18. Parque Lezama

One of the urban parks in the city, Parque Lezama was originally a land owned by nature-lover, Gregorio Lezama and gifted to the city after his death. With the help of European landscapes, he built one of the most luxurious private green spaces filled with exotic flora at that time. Located in San Telmo district, the garden features various monuments, views, fountains, a museum and an amphitheater. The monument of Pedro de Mendoza, the premier founder of the city and monument of Argentine-Uruguayan confraternity dominates the park. Visit the park on weekends to groove with the local bands or for some relaxing time away from the chaos of the city.

Address : San Telmo, Buenos Aires, Argentina
