Index

3. Significance

The city of Krakow is the second largest city across the entire of country. It serves as one of the most important destinations and the largest touring city. The diverse industries has led to a major change in the economy. The city being the prime location for education and science, the city also hosts a range of historic buildings and churches highlighting the ancient monuments for the visitors to enjoy. The Stone Age history of the city takes you back to around 200,000 years.

Index

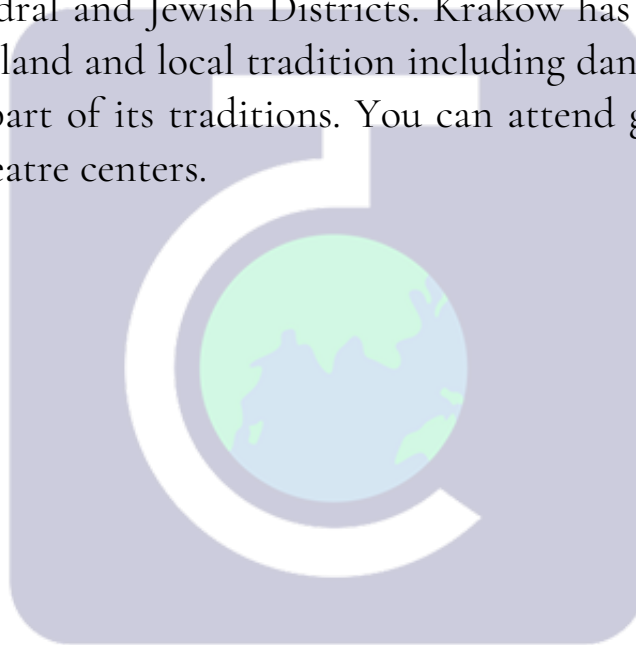

4. History

According to legend, the city got its name from Krak, a local prince who ruled here in 8th century AD. Apparently it was an important centre for trade and commerce due to its location as it was on the Baltic Sea trade route but it was only after 13th century Krakow started developing as a city. In 1320, Krakow became capital and seat of Crown when King of Poland was coronated in Wawel Cathedral. Krakow suffered political turmoil and destruction during various wars and battles especially when it came under Austrian rule and during World Wars. Today, this ancient history has made the city more historic.

Index**5. Cultural identity**

For those who are looking for a complete package that involves exploring the historical marvels of a place and also enjoy food and music, then Krakow is just the place for you. Culture of Krakow displays clear impact of woeful days of dark ages, magnificence of Renaissance and destruction of WWII. Most of the areas in the city have amazing architectural beauty best being those of Market Square, Wawel castles, cathedral and Jewish Districts. Krakow has been regarded as the culture Capital of Poland and local tradition including dance, music and theatre remain an eminent part of its traditions. You can attend gala events in various open air halls and theatre centers.

Index

6. Natural resources
