1. Geographical location

Nelson is a city on the eastern shores of Tasman Bay and is the financial and social centre of the region of a similar name. Nelson city is circumscribed toward the west and southwest by the Tasman District Council and the north-east, east and southeast by the Marlborough District Council. The city is situated on a gulf at the head of Tasman Bay, at the mouth of the Matai River and experiences a calm maritime climate, with mellow winters and warm summers. Nelson is encompassed by mountains on three sides with Tasman Bay on the other and the locale is the door to Abel Tasman National Park, Kahurangi National Park, Lakes Rotoiti and Rotorua in the Nelson Lakes National Park.

Index

3.1.1. Abel Tasman National Park

The Abel Tasman National Park is New Zealand's only seaside national park and its brilliant sandy shorelines and clear turquoise water make it a standout amongst the most well-known and accessible. To investigate the magnificence of the Park you can access by strolling into the Park from Marahau, take a voyage to one of the many shorelines along the Coastal Track, ocean kayak from different shorelines or fly and be dropped off at Awaroa Bay. It is named after Abel Tasman, who in 1642 turned into the principal European adventurer to locate New Zealand and who tied down close-by in Golden Bay. The Abel Tasman Coast Track is a prevalent tramping track that takes after the coastline and is one of the Department of Conservation's Great Walks; the Abel Tasman Inland Track is less frequented. Kayaking, camping and touring are different exercises.
