## Index

### 4. History

Evidence suggests that the first settlers were from Wyandot tribe. They were the first people to arrive in the area; however, Iroquois were the second people to come here. Toronto is a place located in the northern bay of Lake Ontario. Toronto means Seneca word Giyando which means “the other side”. Additionally, historians say that other people acknowledged the place as Ikaronto. It is a Mohawk name that means “trees are growing inside the water”. There were few European settlements in here before 1775. However, the place started building after the American Revolution war. Despite not knowing his name, it is believed that the first explorer to this city was from France.

**Index****5. Cultural identity**

Having been the largest town in Canada, it is obvious that there are several cultures in the town. Moreover, it is due to immigrant people to this place who came along with their cultures. They treasure their traditions, languages, and music. Additionally, the city has provided several institutions like museums, theatres, and festival and sports events to support their cultures. There is Nuit Blanche that is a free celebration that seeks to promote art, night galleries, live performances, and events. Moreover, there is Luminato that is an event held every year and it is celebrated for ten days. Furthermore, there is a Doors Open Toronto event that takes place every May of the year to support their music and art.

### 7.2.8. Centreville Amusement Park

Delighting the visitors with over 30 exciting rides and attractions, Centreville Amusement Park is an ultimate summer wonderland. Spreading over 600 acres, this theme park was constructed in 1967 and houses the 1870's cast iron planter right in the center of the parkland that commemorates Queen Victoria's birthday. Whether you spin yourself silly in the swirling cup & saucer or dive in the log flume or embark on a journey in the Antique Carousel, this amusement park is perfect for people of all ages. Other attractions that will grab your attention are the Ferris Wheel, haunted barrel works, miniature roller coaster, swan boats, bumper boats, antique-style motor cars and kiddie rides. After a hefty dose of adrenaline, interact with the small ponies, mini pigs, sheep and other cattle at the Far Enough Farm. Note: There is no admission fee to the park,

however, you will have to pay for the rides.

**Index****17. Average meal cost**

Getting a meal for a single person in Fairbanks is affordable and easy even for tourist. The average cost of a meal in Toronto ranges from 12 - 20 CAD. A dinner meal goes for up to 5 CAD to 9 CAD. Alcohol lovers and drinkers can get a drink for as cheap as 6 CAD. For coffee lovers, a cup of cappuccino goes for minimum of 3 CAD and a maximum of 4.25 CAD.

**Index****18. Shopping**

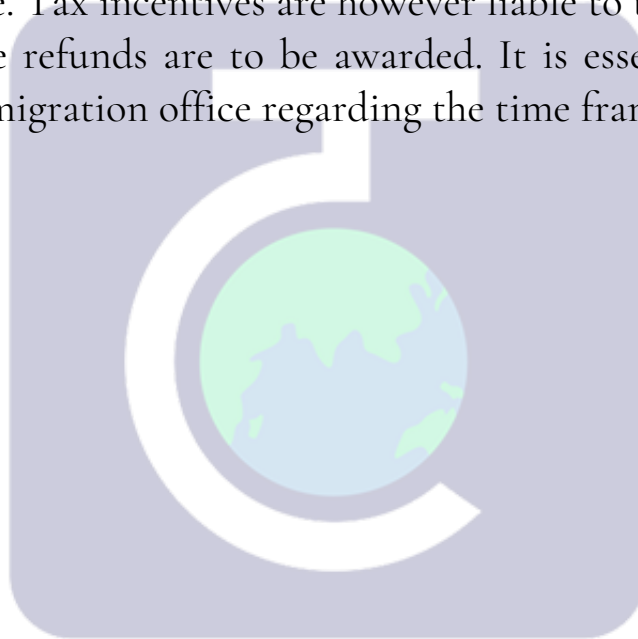

The thrill of shopping in Toronto can be experienced in the street shops and vendors or in the beautiful malls that encompass a myriad of goods and services.

**Index****19. Tourist benefits**

Tourists in Toronto are guaranteed of innumerable benefits during the course of their shopping experience. For one, tourists are likely to be paid value added tax on the goods that they purchase in Toronto right before they leave the airport. Tourists are encouraged to apply for tax refunds while doing shopping in Toronto. In most cases the minimum refunds on purchase is usually a minimum of 50 CAD per purchase. Tax incentives are however liable to time frames that have to be observed if the refunds are to be awarded. It is essential for a visitor to confirm with the immigration office regarding the time frames for tax refunds.

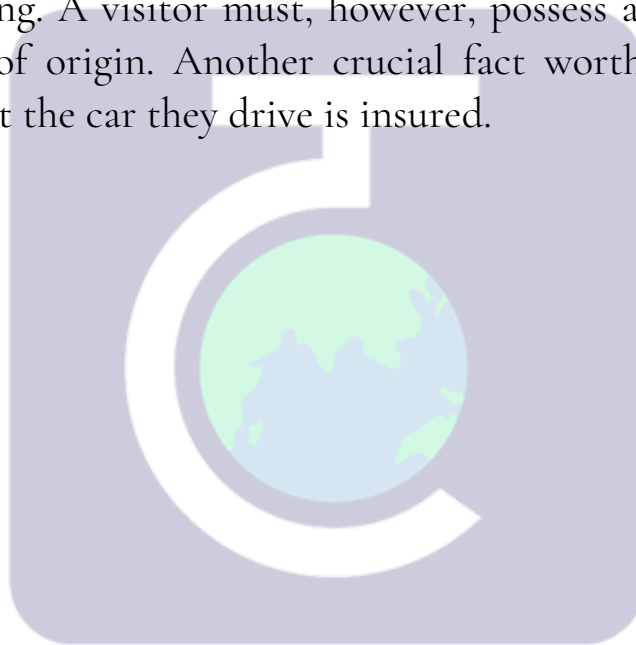

**Index****20. Essential local apps**

Several apps will give you direction in Toronto of Canada. This information will advise you on the best transport route to take like Toronto Subway Map HD. Moreover, you can download Rocket Man app to avoid blind spots and the ideal street route. Taking a trip on the ferry can be exciting but choosing the best boat can be daunting. However, with Toronto Island app, you will narrow down the search to the right one.

## 21. Driving

Visitors and guests who are travelling to Toronto in Canada are free to drive around as much as they wish. However, they have to fulfil a number of requirements. For one, a guest must possess an International Drivers Permit which allows them not only to drive but also rent a car while in Toronto. The second most crucial requirement for a tourist is a travel insurance cover that caters for their driving. A visitor must, however, possess a valid driving license from their country of origin. Another crucial fact worth noting is that they should make sure that the car they drive is insured.

## 22. Travel essentials

Toronto has a standard voltage with a frequency of 110 Volts and 60 Hertz. It is also important to note the fact that all the plugs are two pronged and as such some travel plug adapters do not fit. You will need a voltage adapter or a transformer if any of the equipment that you have brought from your home town does not match to the standard voltage of the city. For those visitors travelling around with gadgets such as laptops, there is a need to have a sturdy carry case.

## 23. Essential clothes

Toronto has a standard voltage with a frequency of 110 Volts and 60 Hertz. It is also important to note the fact that all the plugs are two pronged and as such some travel plug adapters do not fit. You will need a voltage adapter or a transformer if any of the equipment that you have brought from your home town does not match to the standard voltage of the city. For those visitors travelling around with gadgets such as laptops, there is a need to have a sturdy carry case.

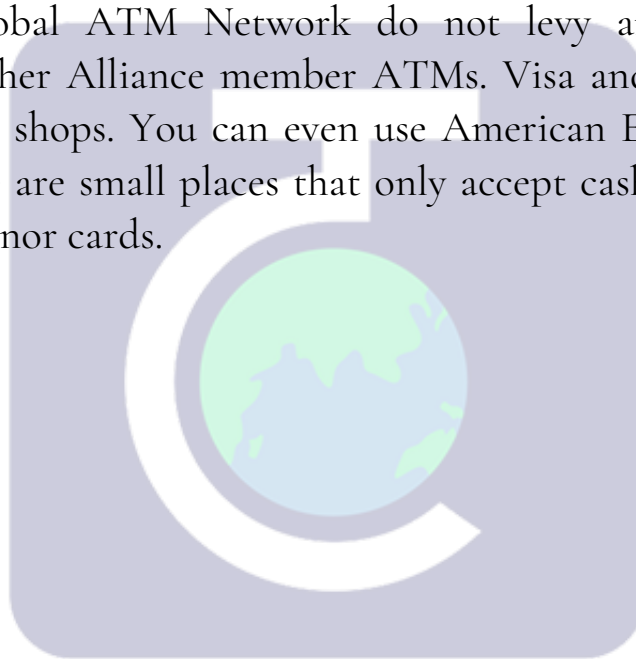

**Index****24. Local currency**

The official currency of the city of Toronto is Canadian dollars. It is abbreviated as CAD. The currency exchange rate is \$ 1 = 1.29 CAD

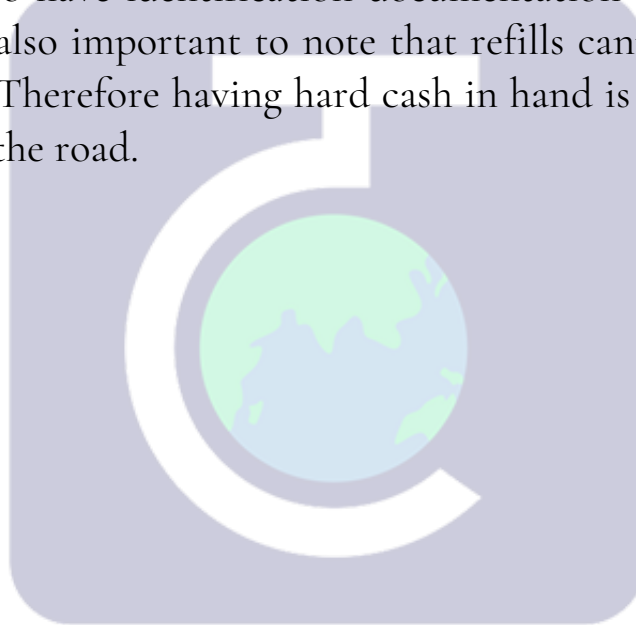

**Index****25. Change vendor's commission, ATM charges**

Toronto is one of Canada's costliest cities. Canadians use dollars and cents. So you should exchange enough money before you leave for Toronto. It is best to exchange currency or traveller's checks at a bank and not at a currency exchange. Many banks charge fee every time you use your card at another bank's ATM. The fee is higher for international transactions than for domestic ones. Member banks of the Alliance Global ATM Network do not levy any charges for cash withdrawals from other Alliance member ATMs. Visa and MasterCard can be swiped at any of the shops. You can even use American Express that is widely used. At times, there are small places that only accept cash. They neither allow the traveller's checks nor cards.

## 26. Staying connected

In Toronto, the three major mobile network providers are; Rogers, Telus and Bell. All networks in Canada operate using the GSM/UMTS/LTE system and thus CDMA phone are practically non-functional. While many other mobile operators may be available the three mentioned here allow for sufficient connectivity for making voice calls, texting and using the internet. Purchasing a phone requires you to have identification documentation such as a passport or driving license. It is also important to note that refills cannot be paid for using foreign credit cards. Therefore having hard cash in hand is necessary for making emergency refills on the road.

## 27. Time Zone

The city of Toronto follows Eastern Time Zone with UTC – 05:00 hours.

**Index****28. Languages**

English is widely spoken across the entire city. Chinese varieties, Spanish, Punjabi, Urdu, Tagalog and Portuguese are few of the following languages.

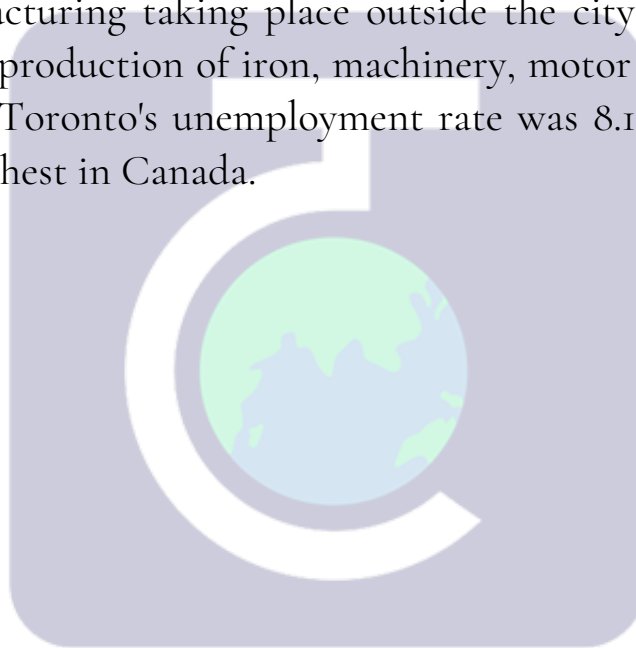

**Index****29. Political Scenario**

Toronto, a single-tiered municipality is governed by a mayor–council system. The mayor is elected by direct popular vote to serve as the chief executive of the city and runs for a four year term. The City Council is a legislative body and is made up of 44 councillors representing the various wards. The mayor and members of the city council serve four-year terms. The city council sets up 40 advisory committees and also sub-committees who consist of volunteers as private citizens and city councillors. Examples of such committees include the Waste Diversion Task Force of the year 2010 and Pedestrian Committee.

### 30. Economic Scenario

Toronto has a high concentration of banks and brokerage firms, and its Stock Exchange is the world's seventh largest. Offices of the five largest Canadian financial institutions are housed here. The city is a strategic centre for publishing, media, telecommunication, information technology and film production industries. Toronto is a wholesale and distribution point for the industrial sector despite most manufacturing taking place outside the city. Due to its strategic location, it supports production of iron, machinery, motor vehicles, paper, steel, food and chemicals. Toronto's unemployment rate was 8.1% in 2011 and cost of living was ranked highest in Canada.

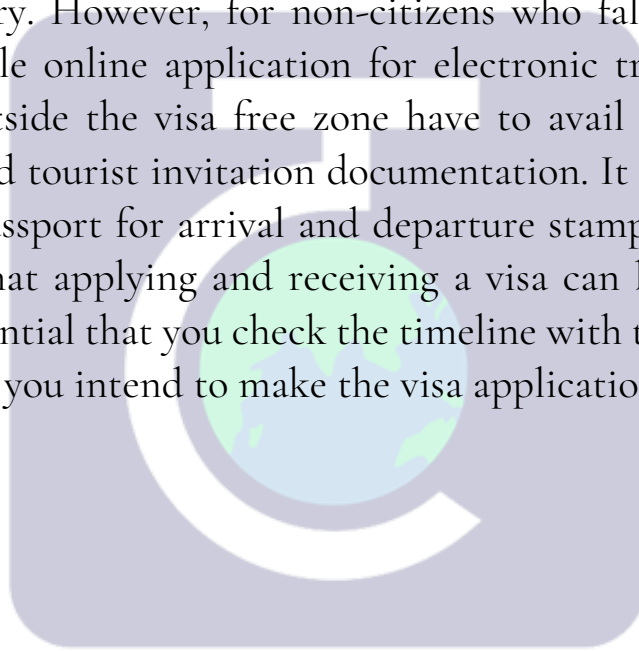

**Index****31. Religious belief**

In Toronto of Canada, the most commonly reported religion is Christianity and it is about 54.1% of the total population. 28.2% peoples are affiliated to Catholic. In addition to this, 11.9% people are Protestants, 4.3% are Christian Orthodox, and 9.7% people are the members of other Christian denominations. There are 8.2% people are affiliated to Islam, 5.6%, 3.8%, 2.7%, 0.8% people belong to Hinduism, Judaism, Buddhism, and Sikhism respectively. 24.2% people are not affiliated to any religion.

## 32. Visa requirements

Toronto is a city in Canada where incoming travellers are at liberty to visit on condition that they possess the requirements for entry to be granted. To be allowed into the city, visa applications or Electronic System of Travel Authorization has to be made depending with the traveller's country of origin. For local Canadians, Canada PR cards and passports can be used as identification material to gain entry. However, for non-citizens who fall in the Visa Waiver Program list, a simple online application for electronic travel authorization is enough. Tourists outside the visa free zone have to avail medical examination reports, passports and tourist invitation documentation. It is advisable to keep 2 pages free in your passport for arrival and departure stamps. In certain cases, it has been observed that applying and receiving a visa can be a process of 20-30 days. Hence, it is essential that you check the timeline with the relevant authority in the country where you intend to make the visa application.

**Index****33. Essential vaccination**

It is necessary to be vaccinated with Hepatitis A, Hepatitis B, influenza and have routine immunizations before visiting the city.

**Index****34. Theft and Safety**

The city is a safe destination to visit. You do not have to worry walking down the streets even during nights as you will see many places open even until midnights. However, it is advisable to not stay up long on the streets. Head home or hotel after the sun sets. Avoid depicting yourself as a tourist as that can attract a lot of attention. Keep yourself away from being pickpocketed.

**Index****35. Embassy/Consulate**

There are many embassies and consulates spread across the entire city of Toronto. A few of the main places are Richmond Street, Six Point Road, St Clair Avenue and Yonge Street. You can have more information about the locations of embassies and consulates for particular countries at <http://embassy.goabroad.com/embassies-in/canada>.

## 36. Accessibility

Movement around the city is most convenient for all types of people regardless of their physical condition. Buildings that accommodate public utilities are built in accordance to the Accessibility for Canada with Disabilities Act and thus no discrimination can be expected.

**Index****37. Emergencies**

Medical services are available for all visitors and tourist to Toronto. Health services are available for every person can be accessed at Toronto General Hospital, St Michael's Hospital and Sunnybrook Health Sciences Centre. For any SOS services, call 911.

## Index

### 38. Do's and Don'ts

Do's: • It's prudent to remember to leave valuables in a hotel room while roaming on the streets to avoid theft and pick pocketing. • It is advisable to note down the cab number whenever you hire a cab. • Be sure to carry an electrical converter when travelling to Toronto • Tipping is part of Toronto culture and as such one should remember to tip accordingly • Tourists are advised to carry their medical insurance with them in case of medical emergencies • Arrange for sufficient medicines to meet your personal medical needs. Check with the embassy of the country you are visiting to ensure your medicine is legal in the countries you are travelling to. Obtain a doctor's letter stating who the medicines are for, what they are, the dosage, and leave medicines in their original packaging. Don'ts: • Drinking in public is prohibited in Toronto. • Buying things on the street is not advisable for visitors • Smoking in public is prohibited unless it is done in public smoking zones • It is advisable that do not carry unsealed/ unbranded food articles as the same may be banned for import.

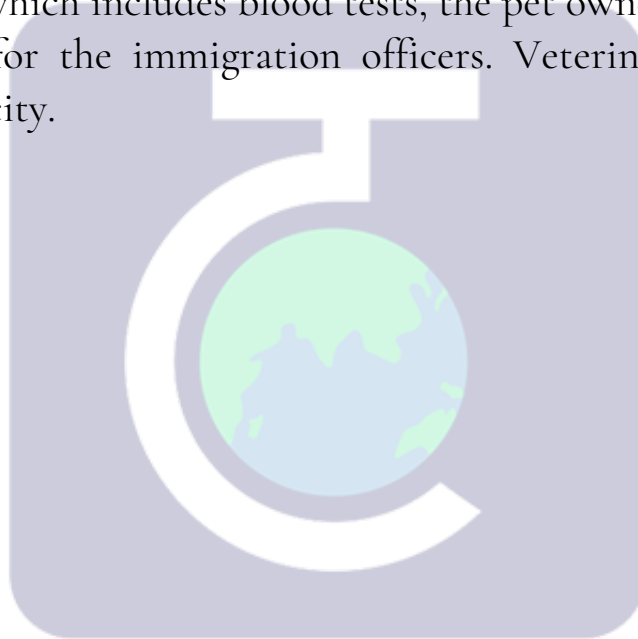

**Index****39.Tipping basics**

Tipping is a part of showing gratuity to anybody who has served you with their services. It is advisable to pay 15% of your bill as a tip in hotels and restaurants. The bag handlers can be paid 1 to 2 CAD. Even the taxi drivers are paid not less than 10% of your fare.

**Index****40.Pet info**

Pets are not restricted from entry into Toronto. As a result tourists and visitors are encouraged to tag along their pets during their visits to Toronto. Proper documentation has to be presented at the checkpoint of entry if they are to be granted entry. A proof of vaccination against diseases such as rabies and gastro has to be presented to the immigration office. In addition to the medical examination report which includes blood tests, the pet owner is expected to have training certificate for the immigration officers. Veterinary services are also available within the city.

## Index

Shopping enthusiasts can be assured of an amazing treat in Toronto. Toronto is a business hub by every means and a business magnet in every way imaginable. Fashion lovers, electronics and cosmetics can all be found in Toronto. The shopping experience at the Distillery District is one that remains with a person for a long time as a result of the products and services on offer. Many of the shops found in Toronto often accord tourists offers and discounts which can make a great difference while shopping. For tourists interested in learning about the culture of the people of Canada, visiting the Royal Ontario Museum can be a treat. Nature and cultural exhibits at the Museum is second to none within the city. Toronto is a city that offers a diversity of experiences to its visitors. Entertainment and outside activities such as sports are also present within the city. Sports lovers are not left out either, as they can visit the Hockey Hall of Fame that houses amazing interactive games and legendary artifacts. The rich and interesting history of the Hockey game in Toronto is well captured and documented in the museum. The highlights and most notable events of the game as well as the low moments can all be found within the museum.*
